PRODIET MAMA

Provides essential nutrients

PRODIET Mama contains native proteins **supporting nutritional and energy needs** of pregnant women. **PRODIET Mama** also contains ALA which brings $\Omega 3$, maintaining metabolic integrity, as a precursor of EPA and DHA (EFSA Journal 2010; 8(3):1461).

For a healthy start, PRODIET Mama is the complement every pregnant woman should have at home!

"After a difficult first pregnancy, I was going to do anything I could to make my next one easier. A friend recommended that I try PRODIET Mama, which was formulated specifically to meet the needs of pregnant and nursing women. I have been using it daily for a few weeks now and I feel healthier than ever! It also provides me peace of mind, knowing that my baby and I are getting the right nutrients."

Sarah

PRODIET Mama is easy to use: instant formula directly rehydrated by consumers. We recommend mixing 40g of powder with 180 ml water (6 fl oz) / 1 or 2 servings per day.

PRODIET Mama is specifically designed for women who are looking for a healthy, efficient dietary supplement throughout motherhood.
